French Patent FR 1 498 267 (McDermott), dated September 11, 1967, apparatus for controlling systems with multiple interruptions;

European Search Report dated September 15, 2004.

In accordance with 37 C.F.R. 1.97(e) the undersigned herewith states that each item of information contained in the information disclosure statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement.

If no translation of pertinent portions of any foreign language patents or publications mentioned above is included with the aforementioned copies of those applications, patents and/or publications, it is because no existing translation is readily available to the applicant.

In accordance with 37 C.F.R. 1.97 (d), consideration of this Information Disclosure Statement is requested.

Enclosed is the fee in the amount of \$180.00.

Respectfully submitted,

For Applicant
